Make your own mini-book about

# *The Maori Creation Legend*

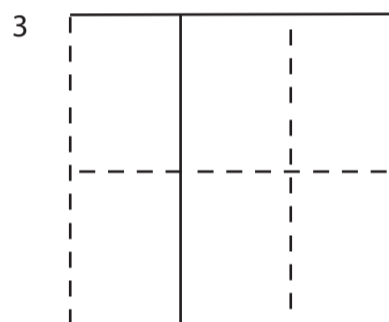

## Mini-book Instructions

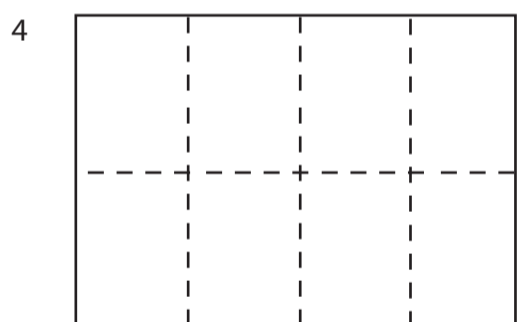

Fold in half long ways

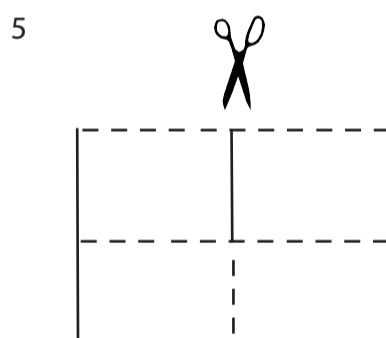

Unfold and then fold in half the other way

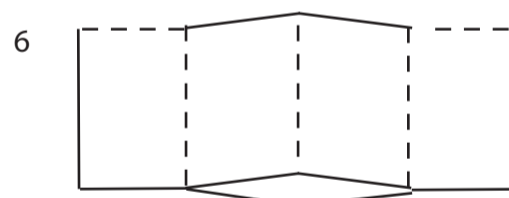

Unfold and then fold the two edges in to meet on the crease line down the middle of the page

Unfold so you have a page with creased lines on it like this

Now fold in half short ways again. Cut along the central line so that the middle two quarters have a slit in them

Unfold and refold long ways again and push the two ends towards each other so that it forms a book shape
